Discussion

What was your program doing to improve maternal health outcomes and reduce maternal mortality and morbidity (MMM) **before receiving the maternal health clinician funding?**

What has your program been doing to improve maternal health outcomes reduce MMM since receiving the maternal health clinician funding?

Do you have any **successful strategies to improve maternal health outcomes and reduce MMM** that you would like to share?

What TA would be helpful in supporting your efforts to improve maternal health outcomes and reduce MMM?

(e.g., TA webinars, 1:1 TA, additional listening & sharing sessions)
