Meeting Logistics

- This session is being recorded.
- All participants are muted upon entry. We ask that you remain muted to limit background noise.
- Members are encouraged to participate in the discussion by typing your comments or asking questions using the chat box.

Connecting to the Audio Conference

- Join the Zoom Meeting by **clicking the Zoom Meeting link** & launching the Zoom application
- An audio conference box will appear
 - If you do not see the box, click '**Join Audio**'
- From the audio conference box, select '**Phone Call**' or '**Computer Audio**'
 - If using the phone:
 - Dial one of the given numbers next to "**Dial**"
 - You will be prompted to enter the **Meeting ID**
 - Then you will be prompted to enter the **Participant ID**

How to Chat

The image shows a Zoom Meeting window with a dark theme. At the bottom, there is a toolbar with icons for Unmute, Start Video, Participants, Chat, Share Screen, Record, and Reactions. A red box highlights the Chat icon. To the right, a sidebar is open, showing a 'Chat' header and a text input field with a 'Type message here...' placeholder. A dropdown menu is set to 'Everyone'. A red box highlights the input field. Three numbered callouts in red circles with white text boxes provide instructions: 1. 'Click the **Chat** button at the bottom of the Zoom window.' with an arrow pointing to the Chat icon. 2. 'A sidebar will appear where you can chat to all participants.' with an arrow pointing to the Chat sidebar. 3. 'Chat here to everyone!' with an arrow pointing to the chat input field.

- 1 Click the **Chat** button at the bottom of the Zoom window.
- 2 A sidebar will appear where you can chat to all participants.
- 3 Chat here to everyone!
