Looking back..
healthstartepic.org

The screenshot shows the homepage of the Healthy Start EPIC Center. At the top right, there are navigation links: Request TA, Services, e-News, and Contact Us. The main header features the EPIC logo (a stylized plant with letters E, P, I, C) and the text "Healthy Start EPIC Center". Below this is a search bar with the placeholder "Search..." and a magnifying glass icon. A secondary navigation bar contains six colored buttons: HEALTHY START (red), HS IMPLEMENTATION (orange), TA ACTIVITIES (green), RESOURCES (purple), HS STAFF ROLES (dark purple), and HS EPIC CENTER (red). The main content area has a green banner for the "HEALTHY START COMMUNITY HEALTH WORKER COURSE" with a row of ten icons representing various community and health topics. Below the banner is a purple box with the text "All modules now open to all Healthy Start Grantees!". To the right of the banner is a white box with text describing the center's services and a purple "Request TA" button.

The Healthy Start Hub

Have you registered for the
HS Hub yet?

If not, go to
hub.healthystart-tasc.org
and register!

You can explore the Hub
while we walk you through its
features.

What You Can Expect in the Hub

Your Profile

- Your HS Hub profile is a way for other members to get to know who you are and how you are connected to Healthy Start. We encourage you to complete your profile, including uploading your photo!

Newsfeed

- The newsfeed is where you will see all activity within the Hub, much like the newsfeed on a social media platform. This will keep you up-to-date on what's going on in the Hub!

Groups

- Groups allow users to connect with each other around specific topics of interest. These groups will be moderated by TASC staff and provide a space for open discussion and resource sharing.

Forums/Discussions

- Within each group, members can create discussions, members can also start stand-alone discussions about topics most relevant to them. Discussions are organized into forums.

Messages

- Much like on social media platforms, you can direct message other HS Hub members. Connect with those you know and make new connections too!

Events

- This calendar will sync up with the event calendar on the TASC's website. Users can reference the calendar to learn about upcoming TA and support offerings.

The Healthy Start Hub

This week we launched an engagement challenge!

- This is a fun way for you to get familiar with the platform.
- Be on the look out for a new post each week for the new challenge.

At the end of the four week challenge, we will announce the winner - the person who completed the tasks in all four challenges first!

Next Steps:

- **Explore healthystart-tasc.org!**
